The Commercial Record Recognizes Newtown Savings Bank as a Top Mortgage Lender in CT for 2023

Newtown Savings Bank, a leading provider of mortgage services in Connecticut, has been recognized in the Commercial Record's annual list of the top mortgage lenders in CT for 2023. The bank was ranked #1 among all CT-based lenders for single-family purchase mortgages and #1 for condominium loans among all banks, whether based in CT or not.

Newtown Savings Bank was also listed #5 in the state for the number of purchase and refinance loans—an impressive achievement from the local, mutual savings bank. This remarkable success is attributed to the strong relationships and exceptional customer service the Bank's mortgage lending team delivers on a consistent basis, ensuring borrowers have a positive experience.

"We are incredibly proud of this recognition as it validates our commitment to making homeownership a reality for our neighbors across Connecticut," said Carl Josephson, SVP, Retail Lending and CRA Officer at Newtown Savings Bank.
