

From all of us at Newtown Savings Bank, we wish you a very happy holiday season and a wonderful New Year.

## Protecting Customers by Preventing Fraud

As a customer, your financial well-being is a top priority, and we continue our efforts to protect you from financial exploitation. Unfortunately, scams involving older adults target some of our most vulnerable neighbors. In response to this trend, Connecticut passed a new law this year, **Concerning Financial Exploitation of Senior Citizens**.

This law enables us to act decisively against potential fraud and permits adults (CT residents age 60 or older) to add a Trusted Contact Person (TCP) for their account(s). The designee will have no authority to transact on the account(s) but may be contacted by the bank in instances of suspicious activity where direct communication with the account holder is not possible. This new measure allows for an additional layer of security.

We strongly encourage eligible individuals to consider adding a TCP. For additional information, please visit our [website](#) or contact us.

## Falalala Local

In the season of gratitude and giving, **Falalala Local: Shop Small this Holiday Season** returns to our branch towns for the second year. This campaign demonstrates our deep appreciation of the small businesses community and all they do to boost the local economy, employ our friends and neighbors, and give back to the communities we call home.

Over the month of December, our employees are visiting local businesses and surprising patrons with vouchers towards their purchase. It's our way of giving back and thanking you for choosing to shop local this holiday season

We brought the holiday spirit to Padaminas in Danbury!

## Toy Drive

A heartfelt thank you for your generosity in making this holiday season even brighter for families in need.

Your support has made our Toy Drive a great success and will directly impact children in the community by helping to create lasting memories.

## Community Impact Award

Our President & CEO, Ken Weinstein, was honored with the Community Impact Award at the 2024 Annual Benefit for Building Neighborhoods Together. This recognition celebrates both Ken's leadership and the Bank's deep commitment to creating affordable housing opportunities for all our neighbors. We will continue to work together to make the dream of homeownership a reality.
