

## Can You Spot a Scam?

Phishing scams are at an all-time high with thousands of people falling victim to fraudulent emails, texts and calls from scammers pretending to be their bank.

This Cybersecurity Awareness Month, we're partnering with the American Bankers Association to bring you the tools you need to spot scams and add an extra layer of protection to your account. To learn more, visit our website and enter the word "Fraud" in the search bar to access our Protect Yourself from Fraud webpage.

## Helping Our Neighbors

Thank you to everyone who contributed to our food drive. It was a great success and we couldn't have done it without your help.

In addition to the food collected, the Newtown Savings Bank Foundation made contributions to local organizations and social services departments across our branch towns.

As a community bank, we are committed to the cities and towns we serve and addressing the needs of our neighbors.

## Bank News

### Mary Hawley Community Service Award

The Society of the Hawley Family recently celebrated its 100th anniversary. To recognize this milestone, the Bank has established the Mary Hawley Community Service Award in honor of Mary Hawley, a selfless individual who greatly supported Newtown and its residents.

*Bronson Hawley, Linda Hawley, First Selectman Dan Rosenthal, Jenn Guman and Ken Weinstein*

This award will be presented annually, to recognize a Newtown resident for outstanding volunteer service and commitment to the Newtown community. Their name will be added to a plaque at Edmond Town Hall and we will make a contribution of \$1,000 to a Newtown-based nonprofit organization of the recipient's choosing.

The impact of Mary Hawley's generosity far surpassed her lifetime and we are honored to ensure her legacy lives on for generations to come. [Read More](#)

### Leadership Danbury Program

Congratulations to our team members Ryan Kelleher, Katie Korres, and Humberto Navarro for their completion of the prestigious Greater Danbury Chamber of Commerce Leadership Danbury program.
