

From all of us at Newtown Savings Bank, we wish you a very happy holiday season!

Falalala Local

We believe in the Power of Local and recognize the importance of small businesses in our community - They contribute to our local economy, employ our friends and neighbors, and give back to the towns they call home.

We invite you to shop local this holiday season. When you shop small, you support your community too!

 As a part of our commitment to supporting local businesses, we'll be visiting some of our business customers' stores and surprising guests with vouchers towards their purchases. Keep up with our journey on Facebook and Instagram!

Toy Drive

Thank you to all of our customers and employees for your generosity this holiday season. With your contributions, our Toy Drive was a great success and will bring joy to countless children.

'Tis the Season to Avoid Online Shopping Scams

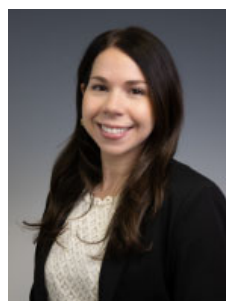

Are you planning to do your holiday shopping online? Be cautious of 'non-delivery scams', where consumers pay for products or services online, but never receive them.
